Suggested Best Practices for the Well-Being of Dog Sport Participants

The AKC supports each club's informed decision to reschedule, postpone or cancel their respective events, as well as supporting clubs ready to hold events in locations that are open and permit gatherings. As events resume across the country, people need to feel safe while enjoying their dog activities. The AKC urges clubs to take appropriate precautions for the benefit of their participants. Events need to be held in a manner that emphasizes the safety of participants and event officials over efficiency.
The following is a list of suggested best practices that may be helpful when planning or attending an event. Event locations, facilities and dates will differ. With a situation that is continually evolving, it is up to the clubs to determine the guidelines that best fit their event. In order to inform participants, specific guidelines established by the club/cluster should be published in the premium, show catalog, club website and posted on signage/flyers at their event.

General Practices

1. Clubs, officials and participants are required to follow state, local and facility guidelines that apply to the area and site where the event is held.
2. Practice social distancing consistent with guidelines in effect at the time of the event. Avoid congregating to the extent possible.
3. Consider wearing masks when in close proximity to others. Clubs should provide masks if desired for officials, judges and volunteers.
4. Consider wearing disposable or washable gloves.
5. Wash hands as frequently as possible. Have disinfecting spray at bathroom facilities for people to spray door handles (or anything else they touch). Consider hiring bathroom attendants to maintain maximum cleanliness.
6. If you utilize portable toilets, please ask for a hand washing station(s) to be delivered as well.
7. Avoid shaking hands, hugging, or other physical contact.
8. Avoid touching dogs that are not your responsibility.
9. Avoid common use pens/pencils – bring your own.
10. Disinfect surfaces in common use areas as often as possible (tables, chairs, doorknobs, etc.) Clubs and facilities may consider not providing chairs.
11. Meals - Avoid or stagger group lunches/dinners if possible. Hospitality areas should avoid community items such as salt and pepper shakers, condiments, creamers, etc. Participants should consider bringing their own lunch/drinks.
12. Vendors should follow retail guidelines for the area.
13. Parking – Park with sufficient distance between vehicles if possible. If there is a parking fee, ask exhibitors to bring exact change.
14. Indoor show sites should work with facilities to have as many entrance/exits points open as possible. Hand sanitizer should be available at every entrance to the site and at multiple locations within the site.
15. Parking/unloading staff should wear masks and sanitize their hands following the assistance of each individual.

Each dog handled in a Junior Showmanship Class must be entered in one of the Breed or Obedience Classes at the show, or must be entered for Junior Showmanship only. However, a dog may be substituted. Such substitution must be accompanied by an official AKC entry form. All such substitutions must be made one half-hour prior to the judging of any Junior Showmanship Classes at the show. Each dog must be owned or co-owned by the Junior Handler or by the Junior Handler's father, mother, brother, sister, uncle, aunt, grandfather or grandmother, including step and half relations or by a member of the Junior Handler's household. Every dog entered for Junior Showmanship must be eligible to compete in Dog Shows or in Obedience Trials. BITCHES IN SEASON ARE NOT ELIGIBLE. A dog that has been excused or disqualified by a Breed Judge or by a Bench Show Committee may still be handled in Junior Showmanship if eligible to compete in Obedience Trials. A dog that has been rejected, dismissed, or excused by the Veterinarian for the protection of the other dogs at the show or for the protection of the dog excused may not be handled in Junior Showmanship.

Junior Handlers who win a third Novice Class with competition present after the closing of entries for a show may transfer their entry from the Novice Class to the Open Class provided that this transfer is made by the Superintendent at least one half-hour prior to the scheduled start of any regular conformation judging or one half-hour to the scheduled start of Junior Showmanship judging at the show, whichever is earlier.

Winning of first place in an Open Class at this show may qualify or count toward qualification for entry in certain future limited Junior Showmanship Classes. For information on eligibility requirements for limited Junior Showmanship Classes which have been approved to date by AKC.

Junior Handlers must include their AKC Junior Handler identification number on the entry blank. You may obtain your number by calling the AKC Event Records Department (919) 233-9767.
