Tribute to Awbs...

...aka Ch KinLoch's Awbrey Glen of Joywood ROM 7/11/94 - 12/7/10 The last couple of weeks I have been thinking a lot of Awbs. It has been 5 years since I have been up to visit with her and Anne and Gordon Stiff. I so love it up there. Awbrey was placed when she was around 6 years old and went to live with Anne and Gordon who overlook a golf course. How perfect could that be. Awbrey became the unofficial goose chaser on the course as the hired hand (Border Collie) was fired as some thought it was cruel to the geese. She would also run up and down the cairn cliffs chasing birds as Anne would swim in the sea. She got Gordon to start walking again as prescribed by the doctor. She had the most best life a little wee dog could have and so very loved by all.

Tuesday I made it through a day of work with very little sleep. I came home to a phone message with Gordon asking me to call. I knew the time had come. She had gone peacefully in Anne's arms. My heart hurts so much for them. I'm sure she is taking care of the two little girls that passed just before her.

A little about Awbrey for those of you that didn't know her. She was from my very first litter. She was named after a golf course - Awbrey Glen-[http://www.](http://www.awbreyglen.com)

[awbreyglen.com](http://www.awbreyglen.com) which started the golf course theme for my kennel. She didn't like to show so I had Dee Hanna finish her as Awbrey so loved her!! She produced three Champions - Ch KinLoch's Augusta ROM and her brother BIS MBISS AmCan Ch KinLoch's Royal Troon RN ME CGC ROME and Ch KinLoch's Laurel Hill ROM. She had numerous

grand and great grandchildren including newborn "Rocky." She will always be in my heart and a little of her in all the dogs at KinLoch.

You will be so missed by all of the lives you have touched.

How many times when you have been asked, "so, what kind of dog is that" have you defaulted with "a Cairn Terrier--you know, like 'Toto' from the Wizard of Oz." Whether you're a fan of the book, the movie (or neither!), there's no denying the impact this character's had on the recognition and appreciation of the breed!

Almost all of us probably know the story of the Wizard of Oz. But do we really? Have you ever wondered what Toto was thinking through his and Dorothy's adventures in Oz? Well mother-daughter writing team K.D. Hays and Meg Weidman explore this classic tale--through the eyes of one of the story's most beloved characters, Toto.

The new book, "Toto's Tale", was released November 20 and takes readers through the classic story originally conceived by L. Frank Baum in 1900 and adapted for the big screen by MGM in 1939.

The Dangers of Xylitol

We have a beautiful year-old Cairn Terrier that has become a great part of our lives; however, like any puppy, Cricket is constantly exploring and getting into trouble.

Three weeks ago a Sugar Free Chocolate Mousse Jello Cup fell out of the refrigerator while I was rushing around to make dinner. I did not look to see what had dropped, telling myself I would do it as soon as I placed things on the counter, but I completely forgot. While my husband and I were eating our dinner, I heard a crunching plastic sound being chewed. I got up to check for Cricket and found her behind a coffee table, eating the mousse. I panicked and grabbed the plastic cup, finding it empty. Cricket had eaten the entire cup of mousse, along with the foil lid.

Our immediate fear was the chocolate and what it might do to her. I called our Cairn breeder, who happened to have some of the same mousse in her refrigerator and she was able to check the ingredients. She quickly advised us that the second ingredient listed was Xylitol, which can be deadly to dogs. Two sticks of sugar free gum with Xylitol can kill or cause brain damage to a thirteen-pound dog; Cricket weighs just under ten pounds. Our breeder asked us to induce vomiting right away and rush her to the closest emergency animal hospital.

To make a long story short, Cricket was given immediate care and kept overnight with an IV. The IV treatment continued the next day at our regular veterinarian's clinic. Cricket was required to have several blood tests for several days, to make certain she was completely out of danger. Needless to say, this episode was very expensive.

Neither our breeder or other friends with Cairn Terriers knew that there was Xylitol in sugar free puddings. I have since learned that it is also contained in sugar free gums, toothpaste and cough lozenges. We have now gotten rid of all sugar-free products that contain Xylitol in our home.

Xylitol is sold in large quantities. My concern is that this product is being sold as a sugar free substitute for baking, without people being aware of its dangers. If someone is baking, their dog might beg for a taste and be given a nibble. Then, if the dog becomes ill, no one will guess what is wrong. Barking Bulletin Readers, please be aware that this can be extremely dangerous if your dog ingests it!

Cairntastic Day 2012

The Columbia River Cairn Terrier Club's Annual Cairntastic Day on Saturday September 4, 2010 at Milo McIver State Park was a unanimous success. In spite of a few clouds' initial sneering down at us and threatening precipitation, the weather turned out to be perfect day for racing—and for eating. But then again, what day isn't perfect for eating? Vicky Montgomery, event coordinator, did a superb job of creating day full of games and amusement. And the company could not have been topped.

People appeared bright and early-- Brad LaBroad and Peggy Appel, earliest of all-- to set up the racing area with all the ingenuity we've come to expect. Every year, the LaBroad/Appel team put something new in place to improve the experience—this year, a dog hammock to minimize the impact of over-zealousness on the part of any canine racers without 100% braking mastery.

Mary Slonecker “wears a monacle.”

On The Go (Fergus), JE, RE beat out the competition (mainly Vicki's Mary and Ryan's Sammy) by gulping down ten hot dog pieces submerged in about five inches of water in under a minute. Some of the puppies looked as if they could have drowned!

Bobbie Fykerud served the Club-provided pulled pork sandwiches, which garnered rave reviews. Several people came back for seconds. Side-dishes included Mary Slonecker's delicious baked beans and a some creative and tasty salads including a tasty salad with avocados added by Sharon Lannigan; other toothsome desserts included Marie Quarles' First-prize winning (at this year's Oregon State Fair) chocolate layer cake with buttercream frosting. Plenty of chips and dips and vegetables and other salads, sides, and deserts made a colorful spread. And the Club also kept our thirsts quenched and prevented us by eating like barbarians by providing beverages and plates and eating utensils.

Earl Josephson laid out a rally course and veteran obedience enthusiast and expert Missi Hanson guided some rally neophytes and practice-judged some of the more experienced.

Betsy Peets's boy, Oz-- aka Kinloch's Shadowood, RN-- ended up with the most chips by defeating every Cairn terrier for miles around. And so Betsy and Oz took home the coveted “Barley Cup,” named for our

Our dogs weren't the only ones to participate in the activities. Vicky started the “formal” activities with some rather odd but amusing variations on “A Minute to Win it.” “Face the Cookie” challenged humans to move the cookie from their forehead to their mouths by using your face in under a minute. Although many came close, only Marie Quarles passed this test and the one which involved moving a penny from the waist to the toes of a pair of pantyhose. The requisite dexterity she needs for her job as a nurse appears to be universally applicable!

Another popular attraction was the above-the-ground Earthdog tunnel, an opportunity to expose some of the wee ones to one of the basics. Some knew exactly what to do, and some with a bit of coaxing, a light switched on as they flew through the tunnel in speedy triumph.

Susan McAlpin coordinated the Hot Dog Eating Contest. Vicky Montgomery's Braecairn Fearghas

inaugural (and three-peat) speediest Cairn Terrier in the Northwest, the legendary TuSchu's Untied, CD, ME, RN until they surrender it in 2011. Or will they hold onto it? Not if Vicki Havlik's Dottie has anything to say about it! And my Audrey continues to insist that next year, she will outrun both Cousin Dottie and Cousin Oz.

Betsy Peets, our Ways and Means Maven, assembled the treasures for the raffle that included a cushy dog bed, a hammock, a food bowl, a belly band, a decorative jar for dog treats, a pick-up bag holder, and a plethora of toys and other goodies and a gift certificate. The abundance of loot went to Janet and Larry Brosh's dogs, Widget and Gizmo. The CRCTC thanks Jack Labuhn who, with great aplomb, drew Janet's winning raffle ticket. Throughout the afternoon, Phoebe Labuhn, known affectionately as "the Peacock Girl," snapped pictures with the facile nonchalance of a miniature Margaret Bourke-White.

It was a great day and thank you to all who helped make it so. Cairn terriers of all hues and ages were ready on their marks (or in their boxes) and set to go.

Old and young participated in the races including the oldest, Brad and Peggy's Haggis (CH. Joywood's Thrill of the Chase, ME, CD, RN) at age 15 to one of the youngest, Dottie (KinLoch's Backdoor Slider) at 6 months.

Among the human and canine attendees were Bill and Mary Slonecker with Hammie and Casey; Bobbie and Neil Fykerud with Pogo and Riddick; Matt Clemens with his neighbor and his dog Henry; Vicki Havlik and Nanny Cindi Marshall with Jasmine, Mary, Padme, and (turbo-charged) Dottie; Ryan Westlund with Sammy and Carol Onstad's Annie; Debbie Blanchard and Brodie; Janet and Larry Brosch with Widget and Gizmo, Debbie Niedziela and her mother Judy Williams with Bella; Rita Roetker and Dale Miller and Gus, Betsy Peets with Happy and (speed demon) Oz; Jill Arnel and Audrey; Barb McNamee with ZeZe, Tori, and Uno; (human) Tori Marshall, Andy Labuhn and Jack and Phoebe Labuhn; Missi Hanson; Susan McAlpin and Earl Josephson with Grace; Sharon Lannigan; Peggy Appel and Brad LaBroad with Haggis, Stella, Echo, and Dundee; Vicky Montgomery with Fergus, Shaylee, and Pub; Tom and Marie Quarles with Fin, Deck, Veronica, River, Brook, Jet, and Riley; and a wonderful woman from Coos Bay whose name I have (with regret) forgotten-- with Bella and Skeezer. Her assistance to Missi at the rally area did not go unnoticed!

Eye Clinic: Susan reminded the membership that the club receives \$400 from the CTCA for doing an eye clinic as long as they receive the paperwork related to the eye clinic. The report of the 2009 clinic will hopefully be submitted following our next club meeting. The plan is to have a template report available at the 2010 eye clinic into which Dr Shirlye could insert the data and sign-off, so that the report could be submitted quickly following the eye clinic.

New Business: 2011 Fund Raising Events: Susan reviewed the list of fund raising events developed by the Board: 1) Obedience Show n Go: Earl agreed to be the organizer for the show n go in January; Ryan agreed to contact Dog Town regarding availability on Jan 8 or 9. 2) Garage Sale: Fykerud's agreed that the garage sale could be held at their house on May 28 and 29 (two days only if have enough volunteers). 3) CGC in association with Canine Experience - possibly June 18. 4) Obedience Show n Go - at Hockinson School on June 19. 5) Earthdog Test - July 30 and 31 at the Quarles. 6) Rally Match - at Hockinson School on the evening of August 12th. 7) All Breed Obedience Trial - Hockinson School on August 13 and 14. 7) CGC - date and location TBD. 8) Insider Pages - first 3 weeks of November. Each of these events needs a champion/organizer. Interested individuals should notify any of the Board members.

2011 Educational Presentations/Events: Susan reviewed the list of educational presentations and events discussed by the Board: 1) Canine allergist. 2) Holistic Vet. 3) Obedience seminar. 4) Fertility expert. 5) Earthdog seminar/earthdog camp. 6) Health fair.

Next Meeting: the next meeting will be held on November 2nd at Jimmy O's in Beavercreek. Peggy will send a meeting notice to non club members regarding the eye health presentation.

Meeting was adjourned at 7:40 pm.

Hello!

It's that time again, or maybe it was last month and I once again am behind! Here is your club newsletter. THANK YOU to those who submitted articles, pictures and most of all ideas to make this Fall issue happen. For without you I am stumped!

Recently we added to the pack in the form of Mr. Gnarly Booper and he has been keeping me on my toes. You tend to forget about the adventuresome puppy until it is living and breathing (pooping and peeing) in your home again. He is a very nice boy and has bonded to the cat "Flame"! Maybe it's a boy thing as Hunter seems to love the cat every 6 months or so... LOL Good thing the cat thinks he's a Cairn!

Everyone have a safe and wonderful Holiday Season!

Dena and the Wolfe Pack!

John Callahan was an early contributor to The Bark sharing his satiric cartoons with our readers. Callahan, a quadriplegic cartoonist whose work in print media made irreverent commentary on topics such as disabilities, politics and dogs, died on July 24. He was 59 and lived in Portland, Ore. He will be missed by his admiring fans, including us.
